The new Wrist Rite product gives you complete wrist control while greatly streng golf game, just ask Professional Golfer John White.

St. Catharines, ON (PRWEB) May 11, 2007 -- John White says the Wrist Rite has the right stuff to help anyone improve their golf game, lower their handicap and even earn bragging rights on the 19th hole. "Wrist Rite is a wonderful product that gives instant feedback to the player from hitting the driver right through to the putting stroke," said White, the head pro at the Beechwood Golf and Country Club in Niagara Falls and one of the province's top teachers.

"One of the basic components of hitting the ball straight is keeping a firm wrist in the upper hand during the stroke. This product trains people to make this happen."

"This simple tool provides lifetime lessons on one of the most important aspects swing, the flat upper wrist," said White, who has served on the Ontario PGA Boa Directors and is the founder of the Niagara District Junior Golf Tour." The Wrist Rite is designed to slide inside a golf glove and can be used by men, v children and worn on the left or right hand.
